EXPERIENCE

Web Developer Intern

Codsoft | May 2024 to June 2024

Completed a web developer internship, designing and developing three fully functional websites with HTML, CSS, JavaScript, and Bootstrap.

Projects

1. Portfolio :-
Implemented a personal portfolio website from scratch highlighting
projects, skills, and experience using HTML, CSS and Bootstrap, with a focus on responsive design and user interaction.

2.Calculator :-
Created a functional calculator using HTML, CSS, JavaScript, and Bootstrap, incorporating basic arithmetic operations and a user-friendly interface.

3.Landing Page :-
This project involves the creation of a sleek and modern landing page for a dummy platform called "CodeCrafter", using HTML,CSS
and Bootstrap.
